Who Are We?

All Saints Christ's Church United

All Saints was formed on 1981 as All Saints Metropolitan Community Church under the leadership of Rev. Byron Hillbun. In 2002, while under the leadership of Rev. Ike Parker, membership was on the rise and weekly attendance was in the high 70s. In 2003 All Saints left The Universal Fellowship of Metropolitan Community Churches (MCC) and became a part of Christ's Church United, a new denomination. We experienced a significant decrease in membership and attendance following that change.

In April 2008, Rev. Parker resigned as pastor. We have been without a pastor since that time, but have continued to carry on God's work. Through God's grace, we have seen an increase in weekly attendance during the past quarter. Under new leadership, we will continue to grow, and we will continue to do God's work!
